

NEW CENTURY
PORTFOLIOS

Dear Fellow Shareholder:

During 2005, the New Century Balanced Portfolio, New Century International Portfolio and the New Century Alternative Strategies Portfolio made distributions to shareholders. Mutual funds are required to distribute income and gains to their shareholders in order to avoid income and excise taxes. The shareholders in turn must include these distributions as income for tax purposes whether the distribution was received in cash or reinvested in additional shares.

A Form 1099 will be mailed to you in February to report the distributions for your individual accounts in the Balanced, International and the Alternative Strategies Portfolios. **Since the Capital and Aggressive Portfolios did not distribute income, NO Form 1099 will be mailed for those Portfolios.**

The distributions paid by the New Century Portfolios in 2005 are as follows:

| | New Century Capital Portfolio | New Century Balanced Portfolio | New Century Aggressive Portfolio | New Century International Portfolio | New Century Alternative Strategies Portfolio |
